# BEST-IU

Bharatiya Engineering Science and Technology Innovation University (BEST-IU) was established under the Andhra Pradesh Private Universities Act No. 3 of 2016 and officially notified under Act No. 6 of 2019. The University is also recognised under Section 2(f) of the UGC Act.

Our vision is to create a world-class social impact conglomerate where learning is accessible and affordable, innovators are nurtured, and transformative ideas are incubated. Our mission is to become a globally recognised university, a true pride of the nation and a hub for excellence in academics and research.

# INDIA FOUNDATION

India Foundation is an independent research centre focused on the issues, challenges and opportunities of the Indian polity. The Foundation believes in understanding contemporary India and its global context through a civilizational lens of a society on the forward move. Based on the principles of independence, objectivity and academic rigor, the Foundation aims at increasing awareness and advocating its views on issues of both national and international importance.

# SCHOOL OF GLOBAL LEADERSHIP

The School of Global leadership (SoGL) is a state-of-the-art institution focused on the changing paradigms of the world order. This pioneering institution being established by the B.E.S.T Innovation University together with India Foundation, as a knowledge partner, is dedicated to shaping the next generation of world leaders.

SoGL's mission is to equip young minds with holistic skills and deep understanding required to navigate the complexities of the 21st century.

Through a unique, multidisciplinary curriculum blended with international training, our students will gain a comprehensive worldview, preparing them to lead with vision and confidence.

# WHY JOIN

To be a part of a one of its kind globe trotting system with borderless classrooms, wide set of perspectives and freedom to form your own opinion

To learn through a highly customised curriculum designed together by thought leaders, academics and practitioners. A curriculum made for the practitioners, by the practitioners.

To adapt to the ever changing world with a future focussed action based learning that looks at the world from a futuristic lens

To get access, learn and grow with an exclusive network of global thought leaders as peers

# VISION

To be a premier global institution that cultivates values-driven, visionary leaders capable of advancing transformative change across communities and nations through ethical leadership, global perspective, and resilience in a rapidly evolving world.

# MISSION

To cultivate a new standard of leadership education that combines academic rigor, ethical formation, global perspective, and experiential learning. Through interdisciplinary collaboration and real-world engagement, we prepare individuals and institutions to lead systemic change, build inclusive futures, and respond effectively to the challenges of an increasingly interconnected world.
